

Advances in the Management of Organizational Quality

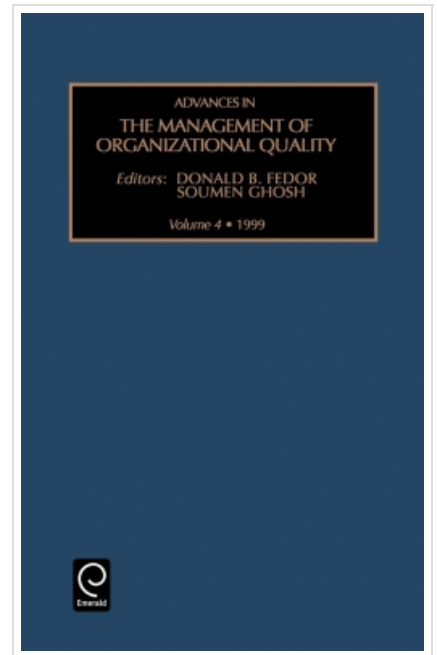

Advances in the Management of Organisation Quality

Donald B. Fedor

Soumen Ghosh

About the Book

The series "Advances in the Management of Organizational Quality" is designed to stimulate thinking on quality-related issues and to facilitate bringing quality into the mainstream of organizational effectiveness. This volume spans a broad range of topics from the transference of quality practices across multinational boundaries to the role of performance feedback systems in achieving quality-based objectives. The papers push the boundaries of traditional conceptualizations of quality and shed new light on important topics.
