Advances in Accounting Behavioral Research

James E. Hunton

## About the Book

Advances in Accounting Behavioral Research promotes research across all areas of accounting, incorporating theory from, and contributing knowledge to, the fields of applied psychology, sociology, management science, ethics and economics. Focusing on research that examines both individual and organizational behavior relative to accounting, the series provides a unique opportunity for the exchange of peer reviewed knowledge across all areas of accounting behavioral research and the development, discussion and expansion of theories from psychology, sociology and related disciplines.
