

# Historical and Current Perspectives on Stress and Health

Research in Occupational Stress and Well-being

Pamela L. Perrewé

Daniel C. Ganster

## About the Book

This is an annual research series devoted to the examination of occupational stress, health and well being, with particular emphasis on the multi-disciplinary nature of occupational stress. The intent is to pull together the various streams of research from a variety of disciplines to better capture the significant bodies of work in occupational stress and well being. It provides a multidisciplinary and international perspective that gives a thorough and critical assessment of issues in occupational stress and well being. The theme for this volume, "Historical and Current Perspectives on Stress and Health" focuses on two main concerns: historical as well as current perspectives to occupational stress research and an emphasis on the healthy individual and organization.
