About the Book

The collection includes both refereed articles and review essays of recently published books in the history of economic thought and methodology. The articles highlight the work of Warren J. Samuels (founding editor of the research annual), American economists' role in the creation of federal trade acts, and Islamic economic methodology. A review symposium on Malcolm Rutherford's *The Institutional Movement in America* is followed by reviews of books on Adam Smith, George Warde Norman, William Whewell and Richard Jones, J. S. Mill and F. A. Hayek, Catholic economic thought, and morality and economics.
