

Configurational Theory and Methods in Organizational Research

Research in the Sociology of Organizations

Peer C. Fiss

Bart Cambre

Axel Marx

About the Book

Some 20 years after the emergence of configurational theory as a key perspective in organization studies in the 1990s, this approach has yet to deliver on its promise. While we know that configurations the relative arrangement of parts and elements - matters, empirical research on configurations is just beginning to deliver on its promise.
