

Macro-Micro Connections in the Pathways to Adulthood

Sociological Studies of Children and Youth

Nancy Mandell

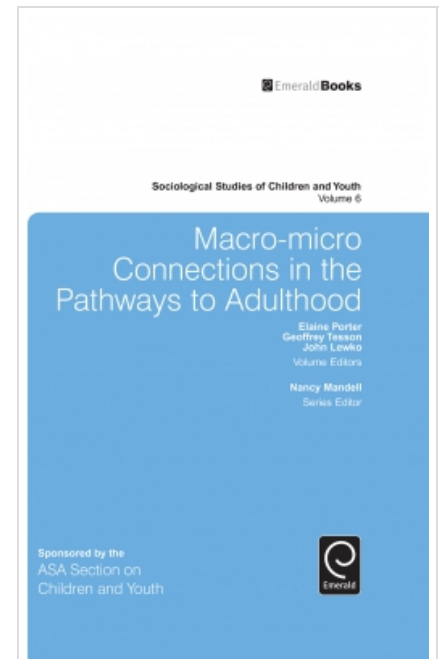

Elaine Porter

Geoffrey Tesson

John Lewko

About the Book

The theme of this volume, studies in macro-micro influences on children, in their pathways to adulthood is aimed at examining the points of intersect between individual and family level reactions to the socioeconomic forces buffeting all industrialised societies. The papers in this volume allow understanding of the larger context which children acquire their experience and capacities for growth.
